Vinyl Storage Sheds

Vinyl Construction

DURAMAX Vinyl Storage Sheds are constructed with the highest quality materials and are reasonably priced. They provide safe and secure storage space for the home, business or vacation property. They are manufactured from a fire retardant durable PVC. They are fade and weather-proof. They will never rust, rot, mildew or require seasonal application of sealants or paint.

Assembly Made Easy

The assembly is easy, clean, safe and can be completed in a few short hours. All parts are pre-cut, drilled and numbered for ease of assembly with Instructional Booklet.

Packaging

Each package includes all necessary hardware / components & accessories, as well as an illustrated step-by-step Instructional Booklet. Each shed is packed in heavy duty shrink wrapped cardboard box and supplied with wooden pallets.

Fifteen Year Limited Warranty

DURAMAX Sheds utilize the best quality material, reliable manufacturing techniques, strict quality control and is backed by 15-year Limited Warranty.

- The sizes in feet are approximation only and for actual size, please refer to centimeter-dimensions.
- 5'x3', 5'x5' & 5'x8' have vinyl flooring.
- No window kit for 5x3, 5x5, 5x8 & 4x8.
- Exterior height is increased by 5-cms., once installed on the foundation.

REQUIREMENTS FOR INSTALLATION:

- 8'x6' and next bigger sizes need solid ground (concrete / bricked area / wooden or plywood floor).
- There should be extra working space on the three sides of the sheds, at least 1-foot & a minimum of 2.7-feet in the front to fully open the shed's door.
- No installation over public utility lines, such as, but not limited to the following: gas, telephone, cable wires, manhole or drainage system, or within its perimeter which may restrict or impede the repair, maintenance servicing and/or improvement of the public easement. Any damage suit, action, that may be brought by any person arising from violation and/or interference of the public easement shall be the sole responsibility of the customer/buyer of the goods.
- Carrefour Duplicate Bill shall be turned over to the Supplier's Installation Team after installation, as official proof of delivery of the goods.
